About HARISONS

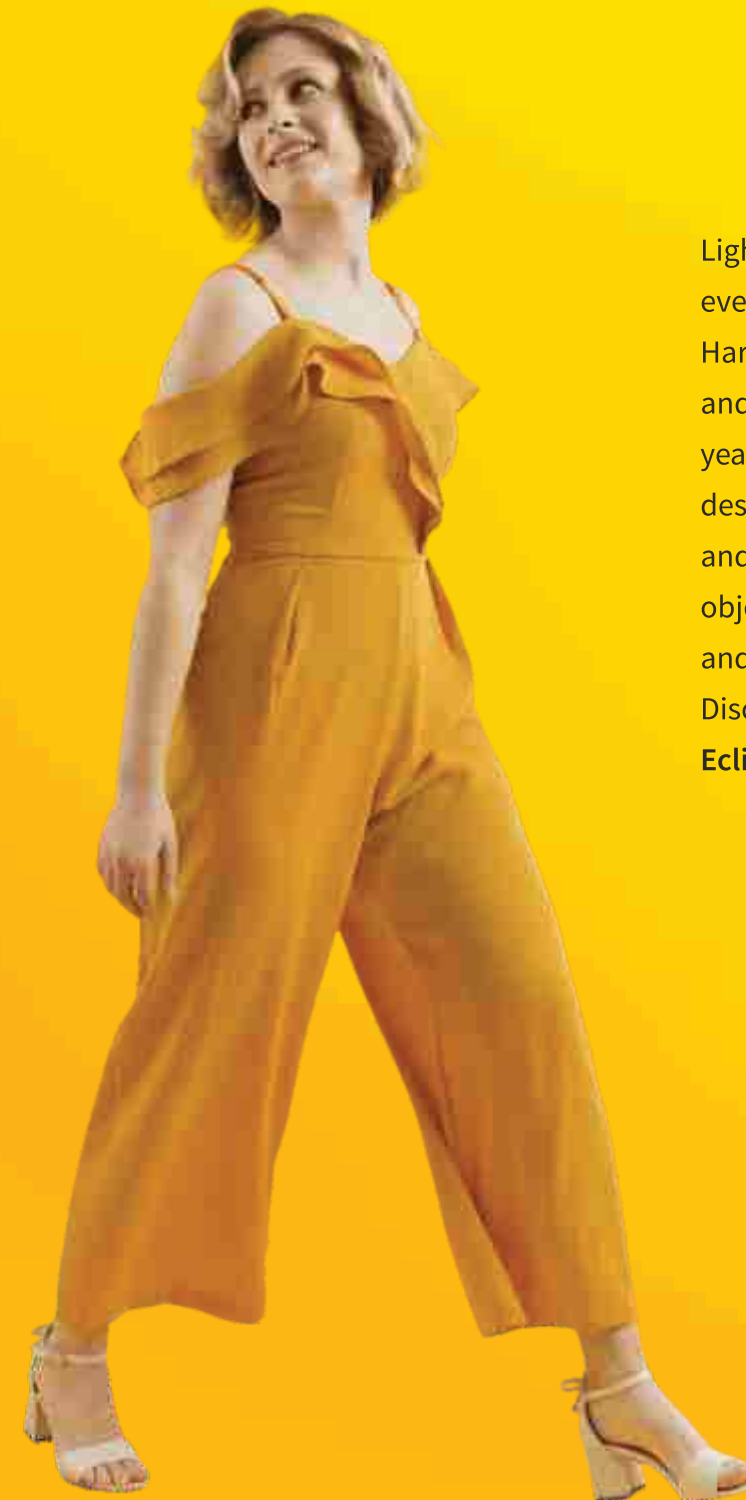

Established in the year 1973, we have been catering to the needs of the industry for more than 48 years and has developed an expertise in the production range. With consistent hardwork and diligence, we are committed towards manufacturing excellence and innovation and are proud to be an ISO 9001 : 2015 certified company.

Our voluminous experience in the electrical industry has helped us to serve a wide pool of esteemed clients with optimum quality products at most affordable rates. Our cost-effective products have propelled us to achieve a high degree of customer satisfaction through ISO system and helped us attain respectable name among them.

Our range of products include :

Electrical Accessories | Appliances | Switch Gears | Luminaries

All our products are certified by ISI and tested & approved by regional test centre ministry of INDIAN GOVERNMENT of India & P.W.D. Maharashtra.

Light is energy, light creates being. Light is everything, without light everything is nothing. Harisons has been developing highly efficient and future-oriented lighting systems for few years now and has set standards in terms of design and economy. Between manufacture and series production, between city light and object light, between classic design language and the trends of the future.
