& PRODUCT PREVIEW  
W.E.F. 19<sup>TH</sup> JUNE 2021

Giving you our best HARISONS has been extending innovative technology and luxury experiences for more than four decades. Our 50 years of experience and expertise provide valuable benefits for our production facility in Mumbai as well as in close co-operation with our global suppliers. It is of vital importance to us that we only work with suppliers that share our commitment to high quality. That is why our association has always been with talented, creative designers who have a responsible attitude towards design. And that is why we carefully select our suppliers so that we can work closely with them and supervise the whole production affair. To achieve a perfect balance between carefully selected raw materials, beautiful design, functionality and good value is our moto. Every little piece, detail, line and material has been meticulously considered to ensure that the end result will work wonders in your home. The entire HARISONS product range catalogue can be found online on our website [www.harisonsindia.com](http://www.harisonsindia.com)

Support is always available for any concerns arising out of curiosity or technicality.

# EMBEY

SERIES

One of the oldest & fast moving conventional range of switches. One of the most trusted switch range in semi-urban & rural areas due to minuscule failure even after years of operation. We all know that safety and resistance is the main concern when it is about electricity. Our products take ample care of safety concerns.
